

Shalom High School

Mission Statement

Since we come by choice to Shalom High School, we expect to take responsibility for our own learning. As a community of students, parents and teachers, we are nurtured in an environment that encourages self-knowledge and discipline. We believe that by meeting the unique challenges presented at Shalom, we will prove to ourselves and to others that we are ready to be productive, successful adults and good citizens.

Code of Ethics

The students and the staff of Shalom High School, commit ourselves to the seven principles of Kwanzaa.

1. Unity (Umoja)
2. Self determination (Kujichagulia)
3. Collective Work and Responsibility (Ujima)
4. Cooperative Economics (Ujamaa)
5. Purpose (Nia)
6. Creativity (Kuumba)
7. Faith (Imani)

We also believe that along with Martin Luther King, Jr. and Mahatma Gandhi that there should be:

1. No wealth without work
2. No pleasure without consciousness
3. No knowledge without character
4. No commerce without morality
5. No science without humanity
6. No worship without sacrifice
7. No politics without principles

We believe that living well means more than exercising our rights and privileges, it also requires meeting our responsibilities.
